

Computer Security Products Inc.

CSP-4025/4025e Installation Instructions

Fig. 1

STEP 1 - Open the package and make sure that you have all the parts identified in the picture on the left (locking bracket, cable, and keys).

Fig. 2

STEP 2 - Loop the cable around an immovable object (i.e. table leg).

STEP 3 - Line up the grooves of the locking bracket with both sides of the laptop screen and slide into place. (Fig. 2)

Fig. 3

STEP 4 - Turn the key to lock and secure your laptop. Keep keys in a safe place away from your computer. (Fig. 3)

Optional installation: One side of the locking bracket has screw holes that can be used to attach the unit to a frequently used desk or other immovable object. When using this method, the cable is not necessary.
